Stepping Stones Child Development Centre is a 40 place not for profit child care service in East Fremantle based on Christian values. Stepping Stones provides an educational and care pre-kindy program for 3 to 5 year olds. Stepping Stones is seeking to employ an experienced Early Childhood Teacher with a passion to work with children and their families. We are looking for a caring, enthusiastic and dedicated teacher with proven experience to lead the development of the educational and care programs with class groups of up to 20 children with a supportive team of experienced educators. The position can be full time or part time.

- Sign on Bonus
- Employee Assistance Program
- Child Care Support

Your Opportunity:

- Prepare, deliver and lead a developmentally appropriate learning program that contributes to each child's interest and emotional, social wellbeing.
- Build and engage in professional and respectful communication with families, children and educators
- Record observations, either individually or in groups and share information to families using our StoryPark platform.
- Maintain records for the purpose of program planning and developmental assessments of the children's learning.
- Be confident and articulate in early childhood pedagogy and practice
- Be committed to continuous professional development and apply learning to the program
- Build committed and nurturing relationships with children and families

Tell us more about your experience in line with the following:

- Previous experience as ECT or similar role
- Bachelor of Early Childhood or equivalent qualification as approved by ACECQA;
- Current Working with Children Card;
- Current First aid certificate in providing an emergency first aid response in an education and care setting or ability to get one
- Ability to demonstrate a competent level of English, both written and spoken

We would also like to hear from New Graduates or those currently studying towards their Bachelor of Early Childhood Education
