

Educational Leader and Early Childhood Teacher

Stepping Stones Child Development Centre in East Fremantle is looking for a genuine, passionate, committed and experienced early childhood teacher to use their skills and knowledge as a Teacher and Educational Leader in our not for profit, 40 place child care service for 3 to 5 year olds.

- We are seeking an educator with sound knowledge of regulatory standards, NQF, EYLF and early education theories.
- The educational leader will be able to motivate, challenge and extend the practice and pedagogy of educators within the service.
- The educational leader will provide effective leadership that promotes a positive organisational culture and builds a professional learning experience.
- The person we are looking for has personal qualities of coaching, mentoring and the willingness to share and support information within a positive learning environment.
- The educational leader will lead the process of documenting children's learning and development and establishing and implementing systems across the service.
- The educator will also work with a class of children as team leader, leading the educational and care programs and working within a team of educators to implement them.

The Educational Leader will have;

- Previous experience as an ECT and/or Educational Leader in a long day care setting.
- Bachelor of Early Childhood or equivalent qualification as approved by ACECQA
- Current Working with Children Card
- Current First Aid certificate in providing emergency first aid response in an education and care setting or the ability to obtain one.
- Ability to demonstrate a high level of English both written and spoken.

We would also like to hear from New Graduates or those currently studying towards their Bachelor of Early Childhood Education.
